

## YARD WASTE PICK UP

For Immediate Release  
February 26, 2019

### **Weather may be wintry, but the yard waste pick up program will resume as planned this Friday.**

Trucks collecting the green curbside carts are to begin rolling out in Oliver this Friday for yard waste pick up.

February has been cold and snowy however the yard waste program is not weather driven. Contracts and schedules are pre-determined well in advance for the hauler, and for notification to residents.

Residents may have been using the green bin over the winter for storage of yard waste or material that was not taken away in time for end of the yard waste season last fall.

The upcoming spring dates for unlimited yard and garden waste dates are March 25/26 and April 22/26, 2019.
