

WATER SHUT OFF (DOMESTIC & IRRIGATION)

For Immediate Release
September 23, 2019

Flood Mitigation Works - September 26 & 27, 2018

Flood mitigation works are scheduled for September 26 & 27, 2018 to allow the Ministry of Transportation & Infrastructure to lower water mains to install a large box culvert at Road 9.

Both domestic and irrigation water will be shut off for water users.

Domestic Water Shut Off - Wednesday, September 26, 2018
Highway 97 Road 7 - 10, Road 9 and 10
There is potential that surrounding areas may be affected
7:00 a.m. - 9:30 p.m.

Irrigation Water Shut Off - Thursday, September 27, 2018
System 6 Only (Road 5 to Road 15)
7:00 a.m. - 9:30 p.m.

The Town apologizes for inconveniences to its customers. After water service is restored, air or discoloured water may be present in the piping. Running a garden hose or cold water bathtub faucet for several minutes, should eliminate both air and discoloured water problems. If you have a specialized water filtration unit within your premise, it may need to be isolated to prevent any blockage which could result from this water outage.
