

Date: October 31, 2024
Project No.: OLIVER-24-PW-02
Owner: Town of Oliver
Project: RFP – Public Works Solar System

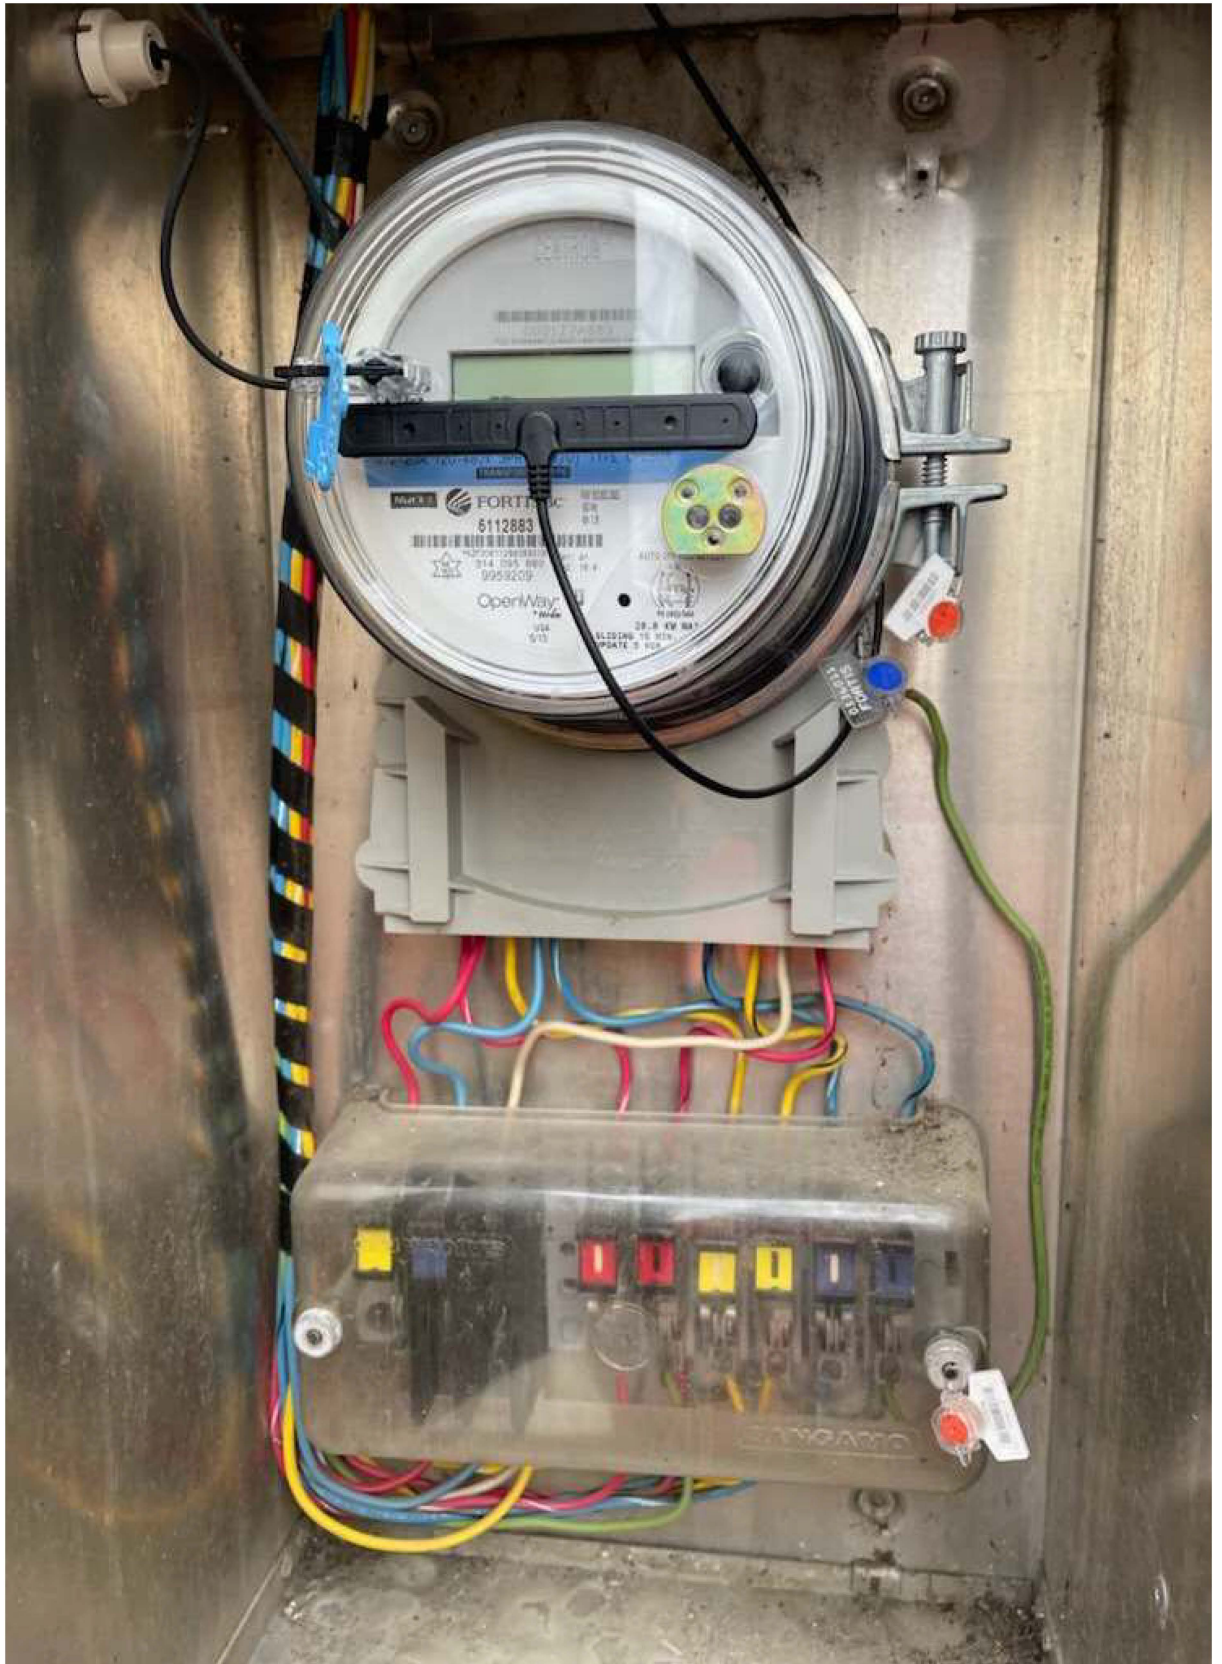

The Contract Documents for this work are revised as noted herein. All such revisions become a part of the work and shall be included in your proposal. No consideration will be allowed for extras due to the proponents not being familiar with this addendum.

1. Change to Closing Date

- a. The closing for the tender shall be deleted in its entirety and replaced as follows:
Proposal Closing Date: 14:00 PST November 15, 2024

2. Photo of Meter

3. Question and Answers to be distributed:

- a. SolarEdge version currently used?

Answer: Version 4.21.23

- b. Can we use specific Inverters brands or solar panels?

Answer: Methodology is to include all components, SolarEdge is the software the Town of Oliver current uses. The Bidder can propose other software or components under optional with a cost.

- c. Who is the supplier FortisBC or BC Hydro?

Answer: Fortis BC is the Hydro Supplier for the Town of Oliver, please find attached consumption for 2023.

We appreciate your cooperation and patience during this time. If you have questions, please contact the Town of Oliver Public Works Yard.

What is a kilowatt hour?

A kilowatt hour (kWh) measures how much electricity is used in an hour. One kWh can:

Watch 21 hours* of television

*e.g. ENERGY STAR® TV, 42" screen

Reduce your usage: turn on a radio instead of the TV to entertain your dog when out.
