Moving, Changes or Repairs?

Carts are Waste Connections of Canada Inc. Property

If you sell your property and move, or give up tenancy your carts shall remain at the property.

Please note that changes to the cart sizes or quantities can only be authorized by the registered property owner. All cart changes are subject to an administration fee. Go to www.oliver.ca or Town Hall to request a change.

If your cart is damaged and requires repairs contact Waste Connections of Canada Inc. **250-498-4888**.

Waste Not Collected?

Not having all your items picked up can be frustrating, but there is often an explanation.

Common reasons for items being left behind:

- Carts must be spaced a minimum of 1 metre/3 feet away from each other, and any obstacles such as vehicles or trees;
- Items not set out on time (must be at curb by 7 a.m. on scheduled collection day);
- Contamination of recyclables with garbage or yard waste;

Contact Waste Connections of Canada at **250-498-4888** to address missed collections.

Bulky Item Collection (one day only)

Place a maximum of 2 items per household for collection on April 11 & 15, 2022 (marked in **purple** on the calendar).

- Common items include furniture, large appliances and mattresses.
- Refer to www.oliver.ca for more information.
- Designated trucks pickup this waste only.

Unlimited Yard Waste Weeks

Spring and Fall

Residents can place unlimited quantities of yard waste at the curb for collection on dates marked in **orange** on the Calendar.

After your town-issued cart is filled, excess yard waste can be placed in kraft paper bags or cans clearly marked "yard waste" and branches can be bundled with string or twine and placed out for collection on your regular collection day.

- Designated trucks pick up this waste only.
- Visit www.oliver.ca for more information.

Always check the websites below, or the RCBC Recyclepedia, for an up-to-date list of depots and accepted items.
